

The City of Ottawa Aboriginal Working Committee made up of representatives from the Ottawa Aboriginal Coalition, Community and Protective Services Department of the City of Ottawa, Ottawa Police Services, United Way/Centraide Ottawa and the Champlain Local Health Integration Network invite the Aboriginal Community to complete a survey to gather pertinent information to assist the Committee in the planning of:

- A "Know Your Services" Information Fair to showcase available services to support the Aboriginal community in Ottawa;
- A "Listening Circles" Forum for Aboriginal and non-Aboriginal service providers to better understand each other's services, establish a framework for relationship building and identify common challenges and find solutions; and
- An Aboriginal Working Committee action plan for the next 6 months, 1 year and 2 years.

The overall goal of the Aboriginal Working Committee is to establish/strengthen relationships between Aboriginal and non-Aboriginal service providers and address issues impacting the Aboriginal community.

If you have any further questions, or would like hard copies of the surveys, you can email us at aboriginalcommittee@ottawa.ca / comiteautochtones@ottawa.ca or call the Aboriginal Working Committee's voice mailbox at **613-580-2424 ext. 15888**. Leave us a message and we will be sure to get back to you as soon as possible.

Thank you in advance for completing the survey.
