

Season's Greetings!

The holiday season is upon us. As such, this holiday season means a much added emotional burden for many of our community members. Staff of the Odawa Native Friendship Centre embrace the Spirit of Christmas through “Food for Friends” and the “Angel Tree” projects. These efforts allow staff and volunteers to provide several Aboriginal parents and children, who live with limited financial means, with Christmas food hampers, gifts and goodies.

The success of “Food for Friends” and the “Angel Tree” is directly attributed to the generous spirit and donations of many in the Ottawa-Carleton region who have given over the years. All donations are welcomed and encouraged as we attempt to meet the greatest needs of our community during the upcoming Holiday season. Contributions can take many forms:

Food Gifts Monetary Contributions Children's Toys

Any contribution you can make will help to assure our community members a Merry Christmas, and will be accepted with sincere gratitude!

For further information please call Wendy Dehler at 613-722-3811 ext. 228,
