

MOCC WALK 2007

September 1st-October 31st

Diabetes, once an unknown word in our culture is now turning into a more common disease among our peoples!

Join in on the fight against this disease and walk a mile in your moccasins! All you have to do is record how many minutes you walked everyday from September 1st to October 31st 2007. You can register as an individual or as teams of 4 people! You will have a chance to win great prizes and you will get a water bottle and water bottle holder with an FM radio to get you started on your path! Register today! Contact Sheena Lee Smith at 613-722-3811 X226 or Recreation@Odawa.on.ca

Brought to you by Ontario Native Women's Association, Aboriginal Diabetes Programs and the Aboriginal Recreation Programme at the Odawa Native Friendship Centre with support from the government of Ontario.
