***Empowering our Residential School Survivors
Workshop Series***

The Ontario Aboriginal Health Advocacy Initiative is offering two-day information workshops in Ottawa, North Bay and Midland, Ontario in November and December 2007. Our goal for the workshop is to prevent the re-victimization of former Residential school students and to assist former students and front line workers in recognizing when their wellbeing may be at stake.

Topics include: How to recognize abuse of the older adult, mental health issues, how to access Indian Residential School Supports through Indian Affairs, frauds and scams and how to avoid them, investing your money, Wills and Estates, personal finances and safeguarding funds. There is no fee to attend the workshops.
